

May Florence Cressy, sister of Will and Harry
b. 1872 in Washington DC, d. Feb. 1917 in Concord NH, Age 45

There is no reference to May in the family archives inherited by Muriel Cressy in 1933. This is the only photograph of her known to exist. (It was located by Susan Booth in an Internet search.) In 1902, the Merrimack County Directory for Concord listed May's occupation as stenographer.
